

SENIOR ACCOUNTANT

NeoTrust is a new, independent and fast growing corporate services provider based in Luxembourg. In order to support our grow, we are currently looking for a senior accountant profile fitting the below description:

About the role

As a Senior Accountant you will be responsible for a portfolio of clients for which you will mainly:

- Handle/review the day-to-day bookkeeping of Luxembourg companies
- Handle/review the day-to-day operations of companies and answer to clients' requests
- Liaise with client's management, finance teams, banks, administrations and auditors
- Prepare statutory financial statements and periodic reports
- Participate to the preparation of indirect and direct tax returns and provisions in coordination with the dedicated teams
- Coach and supervise the daily work of Junior Accountants and Trainees
- Be responsible for the quality of the work and documents produced and submitted to management review
- Ensure compliance with Luxembourg regulatory requirements

About you

- You hold a degree (min. BAC+3 or equivalent) in Accounting, Finance or Economics
- You have minimum 3 to 5 years of relevant experience in the accounting field
- You have a very good knowledge of Lux GAAP accounting principles and of the tax and company law regulations in Luxembourg
- You have good knowledge of standard computer tools (MS Office) and BOB50/Sage
- You are fluent in French and English (written and spoken). Any other language is an asset
- You are dynamic, proactive, rigorous and you have excellent communication skills

Working at NeoTrust offers:

- An entrepreneurial working environment giving priority to team work
- A stable and human sized structure
- The opportunity to share knowledge and the opportunity to develop yourself in a fast growing company
- Internal trainings and career development
- An attractive salary and benefit package which rewards your commitment
